

Olinder Brown Bag Program

Olinder Neighborhood volunteers, in cooperation with the Second Harvest Food Bank, offer nutritional assistance to area seniors through the weekly brown bag program. Food distribution for program participants is offered weekly for qualifying seniors who meet the age and income requirements. For additional information or to volunteer for this program, contact the Olinder Neighborhood Center.

Olinder Food Program

The Olinder Neighborhood Brown Bag program is an award winning neighborhood program run entirely by volunteers and dedicated to maintaining a healthy community through access to nutrition. Twice each week, volunteers work with local supermarkets to redistribute an average of \$2,500 in damaged store goods to families in the neighborhood. Contact the Olinder Neighborhood Center for additional information.

The Olinder Neighborhood Center has a computer lab available for community use. The lab features MAC and PC computers. Neighborhood residents have free access to this lab on Mondays and Fridays from 8:30-10:30am.
